SWEAR IN CONTINENTAL

Swear in Continental is a Halloween party inspired by the world of The Continental from John Wick, bringing luxury, mystery, and underground energy into one immersive experience.

For two nights, Tetra & Mizu Commonroom will transform into a darker version of the Continental, bringing together five collectives, Superflame, Headroom, HouseofWitnesses, Syncation, and Tension.

Expect sharp suits, red lights, secret encounters, special guests, and sounds across three stages. This Halloween, step inside the Continental and become part of the story.
